BLOOMINGTON, ILLINOIS

Introductory

TO OUR PATRONS:

We present to you the Directory for 1909.

The publishers, not having any actual experience in directory compiling outside of Bloomington, engaged Mr. C. M. Samson, manager of the Samson Directory Co., to do the compiling for us, that the business men of Bloomington could have the very best directory that money could buy.

We think Mr. Samson has done his part of the work well. But few people realize the amount of work necessary to get out a work of this kind and the number of changes that take place while the volume is in process of making.

We have hurried the book to completion and have been engaged on this work less time by one month than on any similar work we have ever published. This ought to be a great help to the book.

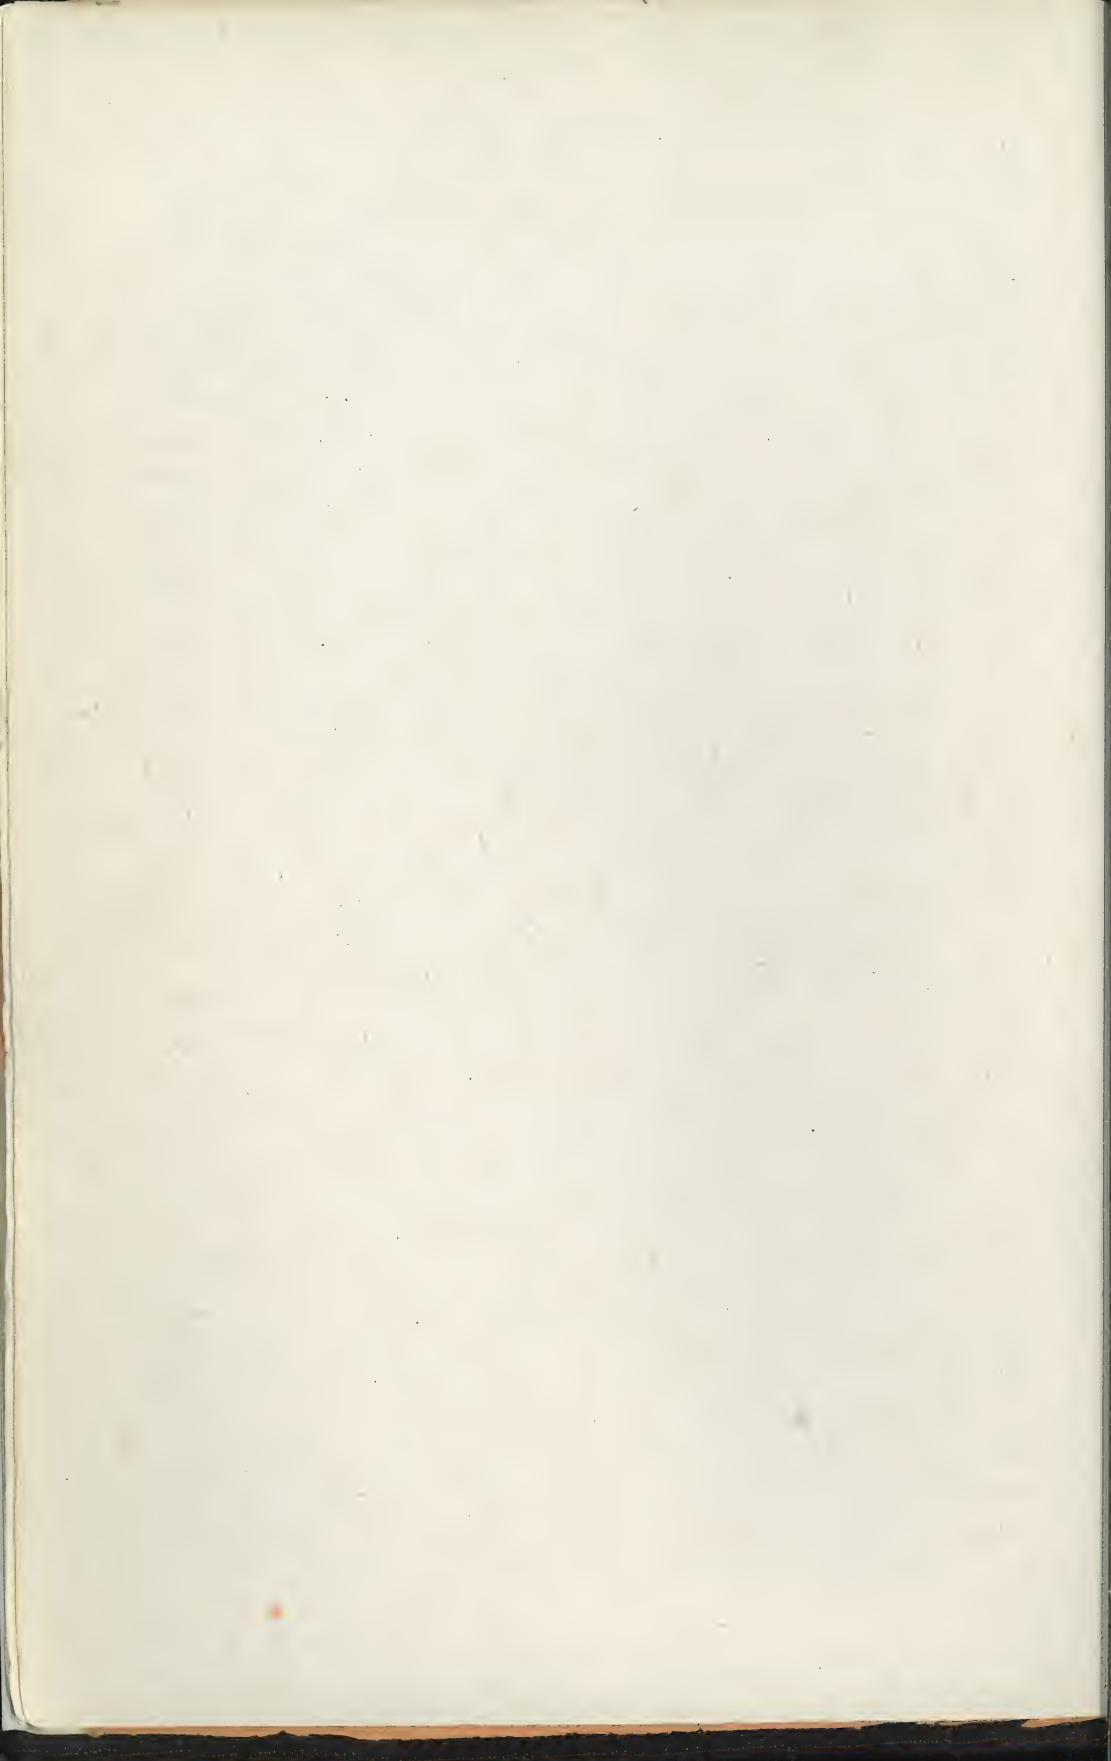

We are grateful for the patronage which has made this volume possible, and we trust it will prove most useful to our subscribers and advertisers.

The population of Bloomington according to census taken by actual count is 27,320.

This shows a steady, determined growth and one of which we are proud.

Burr's Patent Combination Index

AND

Burr's Improved Trial Balance Sheet

The Index is alphabetically subdivided so that any name can be found at a glance. It is practical, simple and convenient.

The Trial Balance Sheet is so arranged with short leaves, that writing the names but once in twelve months is avoided.

The use of these books saves valuable time and labor. They will be found of great value to those having numerous names to handle.

Thousands now in use. Give them a trial.

Reasons Why We Are Growing

We tell you the *exact date* we will make *complete delivery*.

You can arrange to use it at that time, for we never disappoint.

Under no circumstances do we make a promise we cannot fulfill.

We would much rather refuse your order than to misrepresent.

We use Queen City Printing Ink Co.'s celebrated brand of inks.

These are a few of the many reasons our business is today as large as that of all other job printing offices in Bloomington combined.

Try us on a quick, difficult order.

GOOD SERVICE

OUR SUPERIOR EQUIPMENT AND SPLENDID ORGANIZATION IS ADMITTED

IN ADDITION to good service we offer you the advice of trained men at the head of each department whose ideas about printing, binding, and kindred trades have been gathered during years of service in the business.

We get most of our business outside of Bloomington; customers come to us by mail to get the advantage of our superior service.

Without this intimate knowledge of our customers' needs it would be impossible to keep up this immense establishment in your midst, by far the largest in the state outside of Chicago. If you have been overlooking this service hadn't you better stop and think about it.

Our pay roll averages over \$1,000 per week the year round, and some of it in the course of business gets into your hands.

It costs you no more to do business with us than with other houses in the country, quality and service taken into consideration.

No job too large for our plant, none too small to receive our careful thought and prompt attention.

GOOD SERVICE

OUR SUPERIOR EQUIPMENT AND SPLENDID ORGANIZATION IS ADMITTED

IN ADDITION to good service we offer you the advice of trained men at the head of each department whose ideas about printing, binding, and kindred trades have been gathered during years of service in the business.

We get most of our business outside of Bloomington; customers come to us by mail to get the advantage of our superior service.

Without this intimate knowledge of our customers' needs it would be impossible to keep up this immense establishment in your midst, by far the largest in the state outside of Chicago. If you have been overlooking this service hadn't you better stop and think about it.

Our pay roll averages over \$1,000 per week the year round, and some of it in the course of business gets into your hands.

It costs you no more to do business with us than with other houses in the country, quality and service taken into consideration.

No job too large for our plant, none too small to receive our careful thought and prompt attention.

OUR PRICES ARE NOT THE LOWEST, BUT AS LOW AS
POSSIBLE, CONSISTENT WITH OUR QUALITY OF WORK

Reasons Why We Are Growing

We tell you the *exact date* we will *make complete delivery*.

You can arrange to use it at that time, for we never disappoint.

Under no circumstances do we make a promise we cannot fulfill.

We would much rather refuse your order than to misrepresent.

We use Queen City Printing Ink Co.'s celebrated brand of inks.

These are a few of the many reasons our business is today as large as that of all other job printing offices in Bloomington combined.

Try us on a quick, difficult order.
